DAMAGE: Please accept the shipment, inspect it before the carrier leaves your premises, and note any damage on the freight bill. When we turn over the shipment to the carrier, we are also turning over the responsibility of the merchandise to the carrier. Claims should be filed directly with the carrier. We will be glad to help with the claim, but that does not transfer the responsibility to Classic Lamp Parts.

CARRIER: Classic Lamp Parts will endeavor to select the best carrier for any given shipment. If you desire a specific carrier, please note that on your order or let us know when placing your order.

LIMITED WARRANTY: The Seller warrants its title to the products sold by it and warrants to the Purchaser that its products are free of defects of workmanship or material and are in conformity with applicable specifications and descriptions referred to or set out herein. The foregoing warranties are the only warranties applicable to purchases. The Seller does not warrant that its products will meet or comply with the requirements of any safety code or regulation of any state, municipality, or other jurisdiction.

LIMITATION OF LIABILITY: It is expressed, understood and agreed that the Seller's liability whether in contract, in tort, under any warranty set forth herein, in negligence, or otherwise shall not exceed the return of the amount of the purchase price paid by the Purchaser, or, at the option of the Seller, in the Seller's sole discretion, the replacement or repair of the product or part concerned (F.O.B. the Seller's shipping point or such other place as the Seller may designate), and under no circumstances shall the Seller be liable for special, indirect, or consequential damages. The price stated for the product is a consideration in limiting the Seller's liability. No action, regardless of form, shall be maintained hereunder unless the facts giving rise to it are discovered within 12 months of shipment and written notice thereof given to Seller within 30 days of discovery. Products which are replaced by Seller in accordance with foregoing shall become the property of Seller and shall be returned to it by the Purchaser F.O.B. point of shipment.

Purchaser Agrees that all sales transactions shall be considered to have been made in the State of California and shall be interpreted in accordance with the laws and regulations of the State of California.
